

Sponsorship & Donation Opportunities

Neekoo Philanthropic Society Soiree 2019 is a fundraising event benefiting deserving British Columbia students of Iranian heritage. The goal of Neekoo Soiree is to create a networking event with aim of raising funds for the Neekoo Grants Program. It's about reconnecting while making a difference!

Neekoo is a registered not-for-profit society founded by a group of Iranian professionals in 2012 living in Vancouver with a goal of raising funds to assist deserving post-secondary students needing financial support to pursue their dreams. Our main focus is to provide financial assistance to students of Iranian heritage registered in an established BC educational institution, who are currently studying and can demonstrate the need for financial assistance.

We need your support! Last year we raised and issued \$125,000 in grants to 30 highly dedicated and outstanding students, and yet we only touched the surface. Our goal for this year is to double this amount in order to provide ongoing assistance to existing Neekoo students as well as any new students who meet our financial support criteria.
